FOR MODERN ARCHITECTURE
SINCE 1978

WHO WE ARE ?

Founded in 1978, EGCO is one of the growing key players of The 3rd Category companies in Egyptian market.

Integrated Building Contractor

We partner with Egypt's foremost engineering expert houses and developers to consistently deliver exceptional quality on time and budget.

We focus on industrial and commercial developments, taking pride in creating headquarters and warehouses for many firms around Egypt.

Recently, we have expanded our focus in institutional and residential developments, bring the same levels of quality and commitment to these new sectors.

We foster ourselves on being an integrated team with diversified expertise by attracting only the professional personnel in the industry and strive to maintain a dedicated environment to delivering excellence in every endeavor.
